CUSTOMER'S OWN MATERIAL (COM) ORDERING INFORMATION

Proper identification of your fabric is extremely important. If Bernhardt cannot identify your fabric, your order cannot be processed. Please use the COM order form when submitting a COM order. To avoid delays in processing your order, make certain the following information is provided with the shipment of your fabric.

1. Name of fabric.
2. Pattern name or number, description and color.
3. In cases of striped fabric, specify whether the stripe is to be applied vertically or horizontally on the item.
4. Sample of fabric properly marked face side and any special application instructions.
5. Specify fabric to be cut "Railroad" or "Up the Roll."

COM Disclaimer:

Bernhardt is not responsible for any unclaimed COM 30 days after shipment of Bernhardt acknowledgment. It is the responsibility of the dealer to request the return of any excess COM on the initial order.

COM Yardage Requirements:

Specified with each item in this price list are the yardage requirements for plain fabrics 54" in width. These yardage amounts are based on fabrics which will cut Railroaded. These yardage amounts are to be used as a guide only. There will be some cases, due to unusual repeats or design of the fabric, when additional yardage will be required. In order to determine the amount of yardage required for production, please refer to the table below.

For fabrics with unusual layouts or specific cutting instructions, a full width repeat sample must be sent to Bernhardt's COM Department for yardage quote. Application of fabric, including placement of seams and choice of face side, will be determined by the factory unless specifically indicated on your order. To ensure correct application of the fabric, Bernhardt requires that a sample of the fabric be included with the COM order form. Bernhardt specifically disclaims responsibility for the tailoring of COM fabrics, particularly those which are transparent, stretch easily and are loosely woven.

FABRIC WIDTH	PLAIN RAILROAD	PLAIN UP THE ROLL	PATTERN REPEAT				
			2"- 6"	7"- 14"	15"- 20"	21"- 27"	OVER 27"
54"	Price List Ydg.	Price List Ydg.	+10%	+20%	+25%	+30%	+40%
50" - 53"	+10%	+25%	+25%	+35%	+40%	+45%	+50%
45" - 49"	+25%	+30%	+30%	+40%	+45%	+50%	+55%
36"	+60%	+65%	+65%	+80%	+90%	+100%	+105%

This information is intended as a guide only. Match and repeat will dictate yardage requirements. All COM's will be cut and applied at Bernhardt's discretion unless special cutting instructions are included in writing with the order. The standard application of COM is with the face side of the fabric to the inside of the roll.

Up the Roll

Railroad

If fabric is of similar weave on both sides, face side should be marked. While fabrics are inspected for mill imperfections, some are difficult to recognize. Any obvious defects are questioned, however Bernhardt cannot be held responsible for defects, color inaccuracies or other flaws. Once COM is processed, Bernhardt assumes no responsibility for its overall appearance, flammability, normal durability, colorfastness or any other quality after upholstered on a Bernhardt frame.

NOTE: Unless specific cutting instructions are clearly stated on your order, Bernhardt reserves the right to use its best judgement concerning application of your fabric.

California Certification: All COM fabrics for orders being shipped to California must be accompanied by certification of compliance with the California Upholstery Furniture Flammability Regulations: Class 1 requirements of the U.S. Department of Commerce Commercial Standards 191-53. Bernhardt will use internal materials which comply with these regulations in the production of items for shipment to California. All COM fabric should meet UFAC requirements.

COM ORDER FORM

Copy and attach this form to your purchase order for all COM orders. Copies should also be sent to your fabric vendor to be used to tag all fabrics sent as COM. FABRIC APPLICATIONS

- When a single cushion is wider than the fabric and the direction of the fabric pattern will not allow railroad application, the cushion will require seaming.
- We do not guarantee dye lot matches of fabric samples or cuttings to the fabric which will be applied to your order.
- All retail or in-home fabric treatments void the warranty.
- Under normal use, all fabrics will show some degree of wear. Regular vacuuming of the upholstery is recommended. Abuse, pets, and prolonged exposure to sunlight may decrease the life expectancy of the fabric.
- The fibers of some velvets will retain pressure marks over time.
- Cut yardage fabrics are swatched as they will be applied, not as they come off the roll.
- The majority of our upholstery frames may be ordered in an inside-outside fabric application. The inside is defined as the seat cushions, back pillows, and throw pillows. The remainder of the item is defined as the outside.

SPRING CONSTRUCTION

Spring construction is paired with each design for maximum comfort. There are no special order options to substitute spring construction.

SPRINGS	DESCRIPTION
Sinuous Spring (No Sag)	Heavy-gauge wire springs formed in a zigzag shape are firmly secured to the front and back rails of the frame with insulated metal clips. The insulated clips hold the springs firmly in place and reduce squeaking noises. The springs are then joined together by heavy gauge tie wire, which allows the seating unit to work in unison, giving excellent comfort and durability.
Webbing	3" strips of woven elastic webbing are interlaced and attached to a wood frame by double stapling. This method is used primarily in the construction of chairs and ottomans and provides durable support.

Prices shown are retail prices in US dollars.

PERFORMANCE FABRICS

Performance fabrics are fabrics created for a wide variety of uses where the performance of the fabric is the major parameter. They have been created for easy care, lasting beauty and are excellent for family use. They are as durable as they are good looking. Performance fabrics typically offer the following benefits:

- Fade/UV Resistant
- Durable
- Cleanable
- Pet and family friendly
- Variety of materials, constructions and colors

Currently Bernhardt Loft uses Crypton, Fortress, Neverfear, Revolution, and Sunbrella performance fabrics.

CASEGOODS GENERAL INFORMATION

- Quoted "FABRIC YARDAGE" is based upon 54" PLAIN, no repeat over 3", railroaded fabric. Additional yardage will be required for all other railroaded fabrics. Use COM chart below to determine correct yardages.
- All orders must note fabric selection and nailhead trim, if applicable. Some items offer optional welt in place of nailhead trim. These options are noted throughout the price list, where available. Nailhead Trim Options: Brass #1, Antique Brass #6, Nickel #10, Bright Nickel #13, Bright Brass #19 and Antique Nickel #44.
- Only railroaded fabrics may be used on upholstered beds.
- Bernhardt does not guarantee fabric for color fastness or wearing quality.
- When fabrics are discontinued by the mill, Bernhardt is not responsible for replacement.
- Scotchgarding is not available.
- Leather hides may contain marks, scratches or wrinkles considered by the tanneries to be naturally inherent and acceptable characteristics. Also, color variance will be detectable. Manufacturer takes no responsibility for the size or location of such marks or color variations.
- Stone tops are each unique. Bernhardt does not guarantee color match or the absence of vein lines.
- Optional Euro Slat System available.

COM yardage requirements are listed in the price list on each individual related item based on 54" wide plain fabric. Fabrics which have a repeat that must be matched, or fabrics less than 54" wide, require more yardage. The following chart should be used for determining COM yardage requirements. Note that this guide will accurately cover most COM orders, however, there will be exceptions due to unusual repeats or designs. ALL COM fabric is applied at our discretion unless otherwise specified on your purchase order. Due to space limitation, COM cannot be held more than 120 days. ALL COM FABRIC RETURN REQUESTS WILL BE HONORED IF NOTED ON THE ORIGINAL PURCHASE ORDER ONLY!
